

## Cheetah Diaries, The (Series 1)

13 x 30'

### EPISODIC BREAKDOWN

#### 1. Episode 1

The lives of four cheetah cubs from the moment they arrive at a rearing facility as they are trained to become ambassador cats to raise awareness for their species.

#### 2. Episode 2

Vets Emily and Kat are under pressure as inspectors check out the cheetah outreach facility, while cubs Whiskey and X-ray take their first steps into the outside world.

#### 3. Episode 3

Emily faces a tough week when she tries to nurse all the cheetah cubs back to health after they become seriously ill with a parasite infection.

#### 4. Episode 4

The cubs are given the all-clear after their parasite infection, while Joseph the cheetah undergoes his annual check-up.

#### 5. Episode 5

Baggins the serval cat refuses to co-operate with his new trainer, and a new project leader arrives from America.

#### 6. Episode 6

Beryl vaccinates the cubs, and Yankee's limp is checked out by a vet.

#### 7. Episode 7

The cubs have an important day ahead of them as they are taken to work at the adult facility for the first time.

## **8. Episode 8**

The cubs go for their first walk outside the facility and are joined by Cheetah Outreach founder Annie as she checks in on their progress.

## **9. Episode 9**

The cubs venture onto the exercise circuit for the first time, and a guard dog has a tumour removed from his tongue.

## **10. Episode 10**

Baggins shows off his tree-climbing skills when Liesl takes him to explore, and Yankee undergoes some blood tests before his departure to Canada.

## **11. Episode 11**

As one of the final steps of their ambassador cat training, the 9-month-old cubs go for a walk in the grounds of the Spier hotel and have to deal with quite a crowd of interested guests.

## **12. Episode 12**

Yankee must await further tests before flying to Canada, and new staff member Cyril arrives with three new dogs to boost the Anatolian Shepherd breeding scheme.

## **13. Episode 13**

A look back over the past year spent at Cheetah Outreach, and project leader Beryl returns from the De Wildt breeding centre with five new cubs.
