

## You Exposed

4 X 1 HOUR

EPISODIC BREAKDOWN

### 1. Girl Fight

From Tank Girl to Hit Girl, young women are getting inspired by popular culture to fight their battles like boys do – with, as one teen called it – a full-on brawl. Bullied girls don't run to their big brothers anymore, they beat their rivals up themselves.

### 2. Plastic Fantastic

Every day, more and more girls are getting fat injected into their faces and sucked out of their tummies. And their breasts? Well, they just keep getting bigger. This compelling documentary isn't just a talkfest, we take you right into the operating theatre and under acres of already flawless skin. And discover how much pain they'll trade for beauty.

### 3. Sami's Baby

At 40, Sami Lukis has it all: a successful media career, a coterie of A-list friends, and drop dead gorgeous looks. So far, so great, except for one thing. She really wants a baby.

### 4. Sex, Lies and Double Lives

Cloaks and daggers, skeletons in closets, sexual liberation and sexual shame. just turn on the television or open any magazine or newspaper today and you can see celebrity tales of double lives exposed and the very public way these play out.
