

LA Hair (Series 1)

8 x 1 HOUR

EPISODIC BREAKDOWN

1. Sheer Ambition

This explosive style series kicks off with trouble already brewing as celebrity hairstylist Kim Kimble manages her high-profile salon and A list clientele amidst growing dissension from her employee, Angela. Angela's lack of respect hits a new low when Kim finds her asleep at a shampoo bowl during business hours...

2. Charity Case

Reality star Omarosa drops by for a quick style with Kim. After receptionist Charity offends Omarosa by not knowing who she is, the reality diva chastises her in front of the entire salon. When finally led back to her chair, Omarosa is put-off by Anthony's forceful hands. Convinced that Anthony doesn't know how to do a black woman's hair, Omarosa insists another stylist is needed.

3. First Cut is the Deepest

The high style of the Kimble hair studio can only be rivalled by the high drama between Kim and Angela, when Angela returns to the salon bragging openly about styling one of Kim's most important celebrity clients, recording artist, Eve. The disrespect has gone far enough for Kim.

4. Divas Divided

Kim decides to meet Angela for lunch, and gives her one last chance to explain herself. Although still reeling from Angela's most recent betrayal, Kim knows she's a very talented stylist, and that it's good business to keep your enemies close - especially those who will stab you in the back while you look them in the eye.

5. Wiggled Out

With the Academy Awards right around the corner, Kim and her crew of elite stylists have their hands full dealing with a long list of celebrities prepping for the gala event. When Kim gets an urgent call from one of the most influential and important divas in all of entertainment, she knows she has her work cut out.

6. China Wages War

The crowded house of catty stylists at the Kimble Hair Studio continue to claw at one another, unaware that Kim has a major shakeup in store for them. With tensions high and tempers running hot, Kim leaves the salon to oversee construction of her new flagship hair studio. Will Kim be able to find a temporary location for her salon?

7. Tick Tick Boom

When it comes to styling celebrity hair, trends are always changing. But when it comes to the drama inside the Kimble Hair Studio, some things never change. Will the fight between Anthony and China ever end? Kim has a second date with Frank and needs Jasmine to style her hair, which becomes a huge step for rebuilding her trust with her mother.

8. The Big Blow Out

At the famous Kim Kimble salon, hair isn't the only thing that occasionally gets burned. Still fuming from her most recent altercation with the staff, China breaks down in front of Kim, sobbing openly while pleading to be replaced as manager. If her dream is to own and run her own boutique salon, she needs to learn how to master her emotions and manage staff.

9. LA Hair Confidential (60' Special)

In this one hour special, Kim explains the complexities of hair styles we saw this season while guiding us through the season's highlights, including celebrity clients and never-before-seen moments.
