

Kendra On Top (Series 1)

16 X 30 MINUTES

EPISODIC BREAKDOWN

1. Workin' It, Part 1

Kendra has forgotten that she is supposed to be awake and ready for a big magazine photo shoot and the photographer is just minutes away from her house! Now that Hank is no longer playing football, he needs to figure out if he has what it takes to have a career as an actor or TV host.

2. Workin' It, Part 2

Kendra and Hank contemplate what another pregnancy would mean to her career, she takes a second look at the pregnancy test stick, and realises it was just an ovulation test. After that scare, Kendra meets up with her agent and catches up on her upcoming projects. The stakes are so high, she's determined to conquer the world.

3. Batteries Not Included

Kendra is invited by her BFF, Jessica Hall, to guest on her Playboy Radio show. Kendra wants to take her Love Candy line to the next level and asks listeners for their suggestions. But when almost all the callers recommend Kendra add a vibrator, she decides to do some market research with her girlfriends at an adult accessory store called the Pleasure Chest.

4. Guess Who's Coming To Calabasas?

After months of renovating, Kendra is eager to show off her newly decorated home. She decides that one of her very first formal house guests should be former boyfriend Hugh Hefner! But after calling Hef's personal assistant, Mary O'Connor, Kendra finds out there is one hitch – Mr Hefner will only travel to Calabasas by helicopter!

5. Kendra Takes Miami

Kendra has been scheduled for a book signing to promote her second book in Miami. Excited for the change of scenery, Kendra decides it's the perfect opportunity to have a fun-filled girls' weekend with her gal pals, Jessica and Bethany, so she plans to make this trip as much about pleasure as it is about business.

6. Kendra Goes Back To School

Kendra thinks it's time for Little Hank to go to preschool. She sets up two preschool interviews but then finds out Hank will be unable to attend because he has a shoot for a movie. Kendra is nervous to go alone, especially after her friend, Bethany, tells her these preschool interviews can be as much about the parents as they are about the children.

7. Fore Play

Hank is hosting the first annual Hank Baskett Classic – his own celebrity-studded golf scramble. Held at the palatial Trump National Golf Club in Los Angeles, the event is also in honor of his dad, Hank Sr, who has been battling the disease for the past year. Kendra really wants to find a great gift to honor her hard working husband.

8. A Star is Born

The Basketts are invited to a Hollywood premiere, but when Little Hank steals the show on the red carpet, Kendra begins to wonder if he could be a movie star himself. After some discussion, Kendra and Hank ask their agent Kira for help in setting up a meeting with a kids' talent agency.

9. New York Kendra

Kendra gets a call from her publicist asking her to do a high profile photoshoot on top of the Empire State Building. She is excited to go, but Hank is reluctant to join her because he has so much going on. Kendra convinces him that they can have a good time catching up with their friends, and he can follow-up on work leads in New York.

10. The Empire Statement

As Kendra prepares her publicity shoot on the Empire State Building, Hank meets with his sports agent Jim Ivler. Hank talks with Jim about some new projects he is developing, and Jim promises to support him in these new endeavours. Meanwhile, Kendra arrives atop the Empire State Building...

11. Nashville Or Bust

After a week of work in New York, Kendra really misses Little Hank and wants to go home to see him and celebrate her birthday, but instead she's heading straight to Nashville to be in a music video for the LoCash Cowboys. Being a country fan, she's excited to go, but being away from her family is taking a toll on her.

12. LoCash Kendra

It's 5am and a tired Kendra gets her wake up call. She's in Nashville, it's her birthday and she has a long day ahead of her on the LoCash Cowboys music video shoot. Things perk up quickly though as she rides in style out to the shoot in her very own, fully loaded tour bus. She loves it and wouldn't mind living on one.

13. Risque Business

Kendra and Hank are guests on Dr Drew's live show, but during the interview, callers primarily ask Kendra all the questions. On the car ride home Hank reveals that he feels more like Mr Kendra at publicity events. Kendra understands his frustration since right now his career is still undefined, but hopes something will materialize soon.

14. Homeward Rebound

An invitation to speak with a group of teenagers at the Boys and Girls Club of San Diego forces Kendra to confront her troubled past. Kendra turns to Hank for advice, and he encourages her to share her powerful story. While Hank stays in LA with Little Hank, Kendra makes the trek to her hometown.

15. Picture Perfect, Part 1

While planning a photo shoot for her Love Candy collection, Kendra decides to hire models since she hasn't worked out recently and fears that she's too out of shape to model her own line. Meanwhile, Hank and Travelle are working hard preparing for the ribbon cutting ceremony and party for their new gym.

16. Picture Perfect, Part 2

Hank is busy getting all the equipment and amenities set up inside his and Travelle's new pro athlete and celebrity workout facility, Performance Gaines. They're grand opening and ribbon-cutting ceremony is coming up fast and it's Hank's job to make sure everything will be perfect!
