

## Wonders Of... Asia (Series 2)

4 x 60'

EPISODIC BREAKDOWN

### 1. Philippines

On Wonders of Philippines, there's no better place to start than the capital city of Manila. Full of history and a great jump off point to the islands, this inspiring city can't be missed. The old part of town, called Intramuros is full of Spanish influence and Ashley takes a horse and carriage ride around the old walls. With more than 7,000 islands, Ashley finds something different on each island. Palawan is home to the underground river tour where you can go deep within the caves and if you are adventurous enough you can try the famous balut! The island of Bohol is home to the Chocolate Mountains and Ashley goes to find the tarsier! With very few places in the world to swim with whale sharks, Ashley dives down with these amazing creatures on the island of Cebu. And finally, the beaches of Boracay can't be missed and are the perfect way to end any trip.

### 2. Hong Kong

On Wonders of Hong Kong, Ashley will show you that there's something to keep you busy in this amazing city. With Chinese influence in every direction, Ashley takes you on a walk through the history that can still be seen today. Then it's not a trip to Hong Kong without a ride up to the peak for the most amazing view of the city, but also travels outside of the city for a hike in the nature along Dragon's back. On Lantau Island Ashley visits an old fishing village and one of the biggest Buddha's in the world. Get ready for an adventure through this marvelous place on Wonders of Hong Kong.

### 3. Singapore

There's no place like Singapore – a country that has high standards in everything. This orderly country still manages to have an amazing charm that Ashley explores in Little India and Chinatown. She even escapes to a nearby island, Pulau Ubin to see what life used to look like in Singapore. The skyline of Singapore is one of the best in the world, whether you see it from an infinity pool or from a boat cruise. The garden city comes alive on Wonders of Singapore!

### 4. China

The canals of Suzhou make you feel you are part of a fairytale, but the classical gardens make you feel like an elite scholar! Ashley explores China for the first time and becomes part of the traditional Chinese opera, learns about embroidery, the history of tea and so much more. Take

the journey to China with her as she uncovers Chinese medicine and culture, making Wonders of Suzhou the best introduction to the largest nation in the world.
