

Happy Endings

10 x 30'

EPISODIC BREAKDOWN

1. Healthscare

When Steph's arm falls off, her and Nano learn how the healthcare system is set up to rip them off to make a profit. "Happy Ending" tries to understand our absurd world through absurdity.

2. Killed By Capital

Nando sets out on a film noir detective hunt to figure out what capital is, and how it controls our lives. "Happy Ending" tries to understand our absurd world through absurdity.

3. Gig Economy

Nando tests out a series of gigs to learn how our economy is changing, and how it's designed to screw over workers. "Happy Ending" tries to understand our absurd world through absurdity.

4. Danger Zone: US Imperialism

A reimagined Top Gun sees Nando join the drone program as he begins to have doubts about U.S. benevolence toward other countries. "Happy Ending" tries to understand our absurd world through absurdity.

5. Desperate House Hunters

Nando searches for a starter home in this HGTV parody to learn about the quickly shrinking amounts of affordable housing in the USA. "Happy Ending" tries to understand our absurd world through absurdity.

6. Get Schooled!

"Happy Ending" tries to understand our absurd world through absurdity. In this episode, Nando goes back to high school to learn about the dangers of privatizing public education. Spoiler alert: They take away football.

7. Preventers: Climate War

Superhero group The Preventers try to figure out how to punch carbon in the face in order to save the world from climate change. "Happy Ending" tries to understand our absurd world through absurdity.

8. A Taxmas Carol

Merry Taxmas! Nando and Scrooge (Eddie Pepitone) learn the true value of taxes through the intervention of three ghosts on a very special holiday Taxmas episode. "Happy Ending" tries to understand our absurd world through absurdity.

9. Oligopolies! The Board Game

Do not pass Go, do not allow monopolies to run America. Nando and his mom get sucked in to a board game and learn about the way corporations consolidate and use power. "Happy Ending" tries to understand our absurd world through absurdity.

10. Revolutionary Roomies

In the season finale, Thomas Jefferson and James Hamilton are Revolutionary Roomies in a '90s sitcom that teaches Nando about the nature of democracy in America. "Happy Ending" tries to understand our absurd world through absurdity.
