EPISODIC BREAKDOWN

### 1. Episode001

Mouth-watering, edge-of-your-seat, high-speed wingsuit action from the towering cliffs of Europe propels the viewer over the edge, flying head first into the world of BASE-jumping.

In the bustling city of Istanbul, Turkey the meet the players, explain the game and, for the first time ever, go behind the scenes of the world's most exhilarating sport.

### 2. Episode 002

Hurling from the steep cliffs of Kjerag, Norway space age wingsuiters reach incomprehensible speeds, bright colors blurring before parachutes explode over the emerald green waters of the fjords below. This is the setting for the second stop of the world tour, and as the contest action heats up we delve deeper into the world of Base-jumping.

### 3. Episode 003

Episode three is action packed; there's heart-stopping jumps from Europe's highest vertical cliff, the legendary Troll Wall, wingsuiters flying at over 200km/h captured full frame in breath-taking slow-motion and, all the action and drama as pilots fly head-to-head in a high-speed drag race across the skies of Norway.

### 4. Episode 004

From the towering peaks of Switzerland, small white shapes leap, falling earthwards before leveling, hugging the cliffs, skimming the contours, they thunder past, diving deep between the dark constricting valley walls; they dice with death at 250km/h with meters to spare on either side. This is Birdmen Racing, Swiss style.

### 5. Episode 005

The final race of the year takes place from the picturesque cliffs rising from the legendary Lauterbrunnen valley, in turn dwarfed by the snowcapped peaks of Europe's highest mountains. Wingsuiters race head-to-head against this picture perfect backdrop in the most important race of the year, the deciding race of the world championship.
